In Honor Of . . .

As members of the Bengal staff, we have learned that a dedication should have reason behind it. It is something earned, which has great value and meaning. We feel only the best deserve this honor. Keeping this in mind, we, the staff of 1972, have secretly dedicated this yearbook to our beloved advisor, Mrs. Elizabeth Sachse.

To be successful a school must have the backing of the community. A school and community can not work independently. We, as students, feel that "Our Town" has helped us in many ways: through service, participation, friends and neighbors, and occupations. Because of this unity in work and play, Electra can truly be called "Our Town."

The activities included a flag football game for the girls, a basketball game between the ex-students and faculty of E.H.S., and a Halloween carnival sponsored by the Beta Sigma Phi Sorority.

*In Our Town —
We Play Together*

In "Our Town," just as in all towns, there has to be something to in all a competitive spirit, a desire to work and to win. This special something is sports. From football to basketball, a team's desire to win is prevalent. Individual strength predominates in tennis, track, and golf. Not only in the sports arena, but also in the popularity and achievement polls, winning is a sign of accomplishment.

Mr. EHS

Mike Kiselwick

Mike Kiselwick's interest in sports and various clubs throughout high school helped give him the high honor of Mr. E.H.S. Mike supported the Tiger football team four years and was awarded All-District defensive tackle his junior and senior year. He was an active member in Drama Club and F.T.A. He was elected Vice President of Drama Club his senior year. With his great personality he was elected class favorite his sophomore and junior years.

Miss EHS

Sandra Anderson

Because of Sandra Anderson's enthusiasm in school, she was chosen Miss EHS for 1972. Sandra has played in the band for three years and has been in F.H.A. for four years. Her participation in F.T.A., Student Council, and the Tiger Tales makes Sandra a good choice for this title. Tigers Spark Winning Streak

The 1971 football season holds many memories for the players, spectators, student body, and coaches. The Tigers gave us a winning season for the first time in many years. Tigers Face Tough Opponents

The Tigers played in three tournaments, Archer City, Holliday, and Byers, earning the consolation trophy in the Holliday tournament.

These are the people who care and who will make "Electra" a community of friends and neighbors.

Seniors Involved In Class Activities

Looking back upon their final year in high school, the Seniors agreed that this year was the best of all. They watched the Tigers struggle for yet another victory and according to tradition, they catered the football banquet. What should have been work, turned out to be play, as they collected papers and magazines, washed cars, and served at Salad and Ham Suppers.

The scent of graduation was in the air as the Seniors boarded the bus for the long awaited trip. This had been a very successful year ... one which would be remembered always. Even though they looked forward to college or a career, the Seniors would not exchange this year for any other.

Juniors Labor For Banquet

With determination to make their year outshine all others, the Juniors undertook many activities. The first class to introduce the longer and wider bear tag, they added another day in which to sell them. Magazine sales helped to increase the treasury with John Wittenbach as top salesman. As the year progressed, "The Phantom Strikes Again" was presented on November 19. The highlight of the year came when their dreams became reality with the ordering of their class rings. The year was climaxed when the Juniors honored the class of '72 with a banquet.

Heading these activities were Officers SCOTT ISBELL, President; MIKE CAMPBELL, Vice-President; PAT MILBY, Business Manager; LESIA RODA-WALT, Secretary; LARRY WALKER, Treasurer; and ELAIN BENTON, Reporter. Sponsors are Miss MARY JANE MACIAS and Mr. OLAN BOURLAND.

Spirit Stirs Sophomores

Through a combined effort of painting signs, presenting a skit, and constructing noise makers, Sophomores built spirit enthusiastic enough to carry off the spirit stick four times. To raise money, they sold pens and sponsored a basketball game between the faculty and students. In the late fall they participated in a flea market. A concession stand was operated during the tennis season.

Lending assistance to the class were Mr. Robert Palmer and Mr. Ronald Brown.

VAN HOGLE, President; MIKE COOK, Vice-President; BEVERLENE SWENSON, Secretary; KATHY DETMER, Treasurer; and LEIGH ANN GILBERT, Reporter, guided their class in the various projects.

Freshmen Enter Scene

The first year in high school can be one of opportunity if that is what the class wants to make it. The freshmen became acquainted with the teachers, sponsors, clubs, and the upperclassmen. At the start of the school year, they may have been bewildered at the different pace of school life, but soon were on their own as the 1971-72 freshmen. They revealed pride in their class as they led other classes in singing school songs at pep rallies and entered into many school activities.

Officers of the class were MARY JACOBI, President; TRACEY DETMER, Vice-President; OLGA CANO, Secretary; CANDY WOODS, Treasurer; and SHARON WALSER, Reporter.

Sponsors were Mrs. Hesteline Burroughs and Mr. Michael Tillmans.

The End

As another school year comes to a close, there will be many happy and sad events to be remembered. Various expressions of joy, hope, and frustration mark the faces of the students as they have tried their best to improve their surroundings. Graduating seniors have reached the point where they will go their separate ways to see what the future holds for them. Underclassmen will have still another year of the security of high school to look forward to.

Through active participation and the cooperation of each student throughout his high school years, he has come to realize that his community has played a big part in the maturing stages of his life. Each of us, whether we stay in Electra or travel to distant places, will always remember this community as "Our Town."

Steven Hodges
October 28, 1955 — April 8, 1972

His quiet, happy laughter; his ready willingness to help with any task; his patience in taking pictures at basketball games; his friendly concern for others; his interest in everything around him; his winning smile; his cheerful enjoyment of life; just the pleasure of his presence - these are the things his classmates, teachers, and especially the Bengal staff will remember about Steven.

There is only one way to get ready for immortality, and that is to love this life and live it as bravely and faithfully, and cheerfully as we can.

-Henry Van Dyke

Seniors Have Fun In The Sun

A tornado watch was out, but the undaunted Seniors didn't let that bother them as they headed for Lake Altus and 36 hours of fun. The facilities and natural beauty of the surroundings made Lake Altus an excellent choice. From trampolines to go-carts, horse-back riding to swimming, everyone found much to do. The 12:00 P.M. cook-out on the beach was a pleasure for all.

On returning to the lodge, many ambitious seniors played cards the rest of the night and still kept going for another day of fun.

After a day of rest, the seniors were guests of Mr. and Mrs. Tom Swanson and Tommy at their cabin on Lake Kickapoo where they enjoyed swimming, boating, skiing, and lunch catered by Underwoods.
